PETITION FOR FILING UNDER 37 C.F.R. §1.47(a)

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

This is a petition under 37 C.F.R. §1.47(a) to file an application where
one or more joint inventors refuses to sign or cannot be reached.

The last known addresses of the non-signing inventors are provided on the attached sheet as Exhibit A.

The pertinent facts are as follows: Eight people jointly invented the invention disclosed in the application filed herewith for an interactive employment system and method. Upon information and belief, a copy of the application along with a Declaration/Power-of-Attorney was provided to each inventor. Four inventors, Juliana MAYER, David SCHMIDT, Steven SPIECZNY, and Sparky Wilson ROSE, returned executed documents which are submitted with the non-provisional application. The remaining four inventors failed to return the documents. For three of the inventors, a Federal Express letter package was sent to the last known residential address. Attached as Exhibit B are documents from Federal Express showing the shipment of such documents to Andres PINEDA, David SOLOFF, and Neal BHAMRE. No response was received from these three inventors. A residential address for the last inventor, Colleen REILLY, is unknown. The address provided on the Declaration for Ms. Reilly is for the company Viant Corp. which employed Ms. Reilly at the time of the invention. Efforts made to contact Ms. Reilly or obtain a current address were to no avail.

A check for the fee set forth in 37 C.F.R. §1.17(h) in the amount of \$130.00 is enclosed. The Commissioner is authorized to charge any deficiency or credit any excess in this fee to Deposit Account No. 04-0100.

Since there is no reasonable expectation of the non-signing inventors providing an executed Declaration, Applicants request that accompanying non-provisional application be accepted and prosecuted on behalf of the signing inventors.

Respectfully submitted,

Dated: April 20, 2001
